

# ST. AUGUSTINE'S RELIGIOUS EDUCATION YEARLY OVERVIEW

## PREP – SCOPE AND SEQUENCE

<p><b>Year Level Description</b></p> <p><b>In Prep,</b> students learn about some Old Testament and New Testament stories that tell of a God of love, the creator of all, the goodness of God's creation, God's special relationship with all of creation and God's plan that people help each other to live safely and happily together, for the good of all.</p> <p>Students listen to, read and view stories of and about Jesus in the Gospels that tell of Jesus' life as a Jew, his mother Mary, his friends and family; of Jesus praying and teaching others to pray; of his teachings about love, compassion and forgiveness that challenged people about the way they were living; and of his suffering, death and resurrection. They learn that Christians believe God created people with the freedom to choose between good and bad, right and wrong. They explore examples of times, from familiar texts and their personal experience, when people make these choices.</p> <p>Students understand that prayer helps believers follow the teachings of Jesus; to live according to God's plan. They learn about ways in which believers pray, either alone or with others, including the Sign of the Cross and Amen. They observe ways in which believers pray together during special celebrations and rituals that mark important times in the life of believers and in the Church year. They learn about the Church building as a sacred place for believers and the Bible as a sacred book for believers.</p>	<p><b>Achievement Standard</b></p> <p><b>By the end of Prep,</b> students communicate clearly their ideas, feelings and thoughts about God, the goodness of God's creation and God's plan that people help each other to live safely and happily together, for the good of all.
