

ST. AUGUSTINE'S RELIGIOUS EDUCATION YEARLY OVERVIEW

YEAR 1 – SCOPE AND SEQUENCE

Year Level Description		Achievement Standard		
<p>In Year 1, students explore the Christian teaching that all people are created in God's own image, with dignity and natural rights. They learn about living in accordance with God's plan for all creation: living safely and happily in community and in loving relationship with God, with a responsibility to care for all creation and using God's gift of freedom to make choices responsibly. They engage with a variety of Old Testament texts to learn about God's presence in the lives of individuals and communities and make connections to their own experiences. They explore the words, actions and symbols used in the Sacraments of Baptism and Eucharist to communicate God's presence and action. They learn about the different roles in the local parish community. Students learn about the nature of Jesus' mission and ministry. They explore aspects of Jewish daily life at the time of Jesus. They listen to, view and read accounts from different Gospels of key events, places and characters in the life of Jesus and explore similarities and differences in these accounts. They explore the many ways in which Mary, Mother of Jesus, is honoured by Christians past and present and develop their understanding of the Hail Mary, a Catholic prayer honouring Mary. Students understand that prayer was an important part of Jesus' life and is important in the lives of believers. They continue to learn about ways in which believers pray, either alone or with others.</p>		<p>By the end of Year 1, students make connections to personal experience when explaining ways of living in accordance with God's plan for creation: that people live safely and happily in community and in loving relationship with God, with a responsibility to respect the dignity and natural rights of all people, to care for all creation and to responsibly use God's gift of the freedom to choose. They relate stories from some Old Testament texts that describe God's presence in the lives of individuals and communities. They identify words, actions and symbols used in the Sacraments of Baptism and Eucharist to communicate God's presence and action. Students identify the nature of Jesus' mission and ministry, as well as some similarities and differences between Gospel accounts of significant events, places and characters in the life of Jesus. They describe some aspects of Jewish daily life at the time of Jesus. They recognise some ways in which believers past and present honour Mary, Mother of Jesus, including praying the Hail Mary. They recognise the significance of prayer in Jesus' life and in the life of believers and participate with respect in a variety of personal and communal prayer experiences, including meditative prayer, Grace and the Hail Mary.</p>
